**Basis for Calculating Amounts Charged to Patients**

TriHealth Rehabilitation Hospital utilizes the “look-back” method to determine the “amounts generally billed” (AGB) to individuals who have insurance covering other Medically Necessary Care. The AGB percentage discount applicable as of 1/1/2023 at our facility is 62.7%.

The amount was calculated using all claims allowed by Medicare (Traditional) having discharge dates from January 1, 2022 through December 31, 2022. Total expected payment from allowed claims was divided by total billed charges for such claims.

AGB was calculated using the Medicare fee-for-service approach for the TriHealth Rehabilitation Hospital.
